

Unicom Service Guarantee

Unicom Solutions Group, Inc. offers one of the industry's best guarantees for service performance:

If you are ever dissatisfied with any service for **ANY** reason, call and let us know. We will immediately correct or repeat the service at no additional charge to you to make it right.

If this still does not resolve the issue to your complete satisfaction, we will refund **100%** of the money you've paid us for that work. All we ask is that you notify us within **72** hours of the unsatisfactory service and before another service begins.

You'll notice we don't hide behind small print, legal-eeze, or other weasel clauses in our guarantee. That's because we are completely confident in our ability to fix whatever problems you have and make you thrilled that you called us.

In addition, we offer a **30 DOA** guarantee on any product we sell you. We will replace the product and cover the labor on any product that fails in that time period!
